

JF&CS Strategic Plan: 2017 -2021

Vision

A Community of Empowered Lives

Mission

Making Hope and Opportunity Happen

Core Values

- Commitment and Integrity
- Compassion and Respect
- Innovation and Collaboration
- Professionalism and Responsiveness
- Diversity and Inclusion
- Impact and Data-driven Decision Making

Goals and Strategies

I. Enable a Responsive and Adaptive Organization

- Optimize decision making through data and analytics
- Market programs to target audiences in the Jewish and broader communities
- Align people, processes and plans to deliver exemplary service
- Invest in technology that facilitates efficiency, effectiveness, and results

II. Focus and Scale Programs to maximize our clients' Self Sufficiency & Quality of Life

- Achieve program outcomes through adoption of evidence-based practices
- Enable person-centered program integration through coordination of services
- Extend impact through collaboration

III. Promote Sustainability Through Diversified and Enhanced Funding

- Acquire resources through implementation of a comprehensive, integrated strategy
- Recruit and maintain a diverse volunteer base
- Increase the JF&CS Foundation's financial resources through planned gifts
